KOMATSU

Komatsu Industries Corp.

New Show Place in Jakarta, Indonesia

We, Komatsu Industries Corp. (CEO; Nobuaki Kawanishi), which is wholly owned subsidiary of Komatsu (CEO; Tetsuji Ohashi), established new show place, overhaul & repair shop and spare parts supply center in PT. Komatsu Indonesia located in Jakarta, on 3rd August, 2018.

In the show place, guests can try our machines with actual dies and get our training about machine inspection, not only see the machines. The shop and the center make us possible to provide solutions to our customers more quickly and adequately through appropriate support after the installation of machines. Also, in the center, we remotely check the customers' machines continuously by KOMTRAX, our operating management system, to support improvement of customers' operation more proactively.

In addition, we intend to utilize the new facilities to improve technical knowledge of surrounding firms with IMDIA, Indonesian Mold & Dies Industry Association.
