

Komatsu Industries Corp.

2024 Japan International Welding Show

Komatsu Industries Corp. (President: Hirotada Osari) will exhibit at the “2024 Japan International Welding Show” to be held at INTEX Osaka from April 24. Based on the exhibition theme, “New Trends in Welding, Connecting People, Cultures and Technologies”, we will present the possibilities of welding and thermal cutting technologies that contribute to our customers. We sincerely look forward to seeing you at the exhibition.

Pre- registration is recommended to ensure smooth entry. You can register at “Visitor Pre-Registration” link on the top page of the exhibition website. The registered visitors with printed “Entrance Pass” will be admitted free of charge.

The admission is free for visitors having the invitation ticket, too but procedure for entrance at the reception desk is to be required.
